(1) Tariffs in Belgium and on the move (roaming) in the EU (+ Iceland, Liechtenstein, Norway and the Unlited Kingdom) except special numbers (voting, 0900, etc.) and third party services.

Third party services - in general digital - are services sold by third parties paid by the customer via its Proximus invoice. The cost of these services is not fixed and is defined by each third party. The cost is pre-contractually communicated to the customer before subscribing to the third party service(s). The role of Proximus is limited to receiving the payment in the name of and for the account of the third party.

(2) After the first minute, calls are invoiced per second as of the the 61st second.
